

## Exquisite Temperature Transmitter Model: ZJX-PA-PT-A1L2

### PRODUCT FEATURES AND APPLICATION FIELDS

#### Description:

The ZJX-PA-PT-A1L2 exquisite temperature transmitter is composed of a temperature sensor, compensation circuit, and conversion circuit. The internal resistance value changes with temperature, and the internal circuit converts its value into a linear analog output. The external structure is compact, making it convenient for on-site installation with space requirements.

#### Features:

- Multiple output signals can be selected
- Multiple installation interfaces can be selected
- Multiple anti-corrosion materials can be selected for temperature measurement positions
- Strong anti-interference, vibration resistance, and high mechanical strength
- The depth and diameter of measuring tube components can be selected

#### Advantages:

- Large measurement range (-200 °C -2000 °C)
- Compact structure for easy installation
- Fast response time and high measurement accuracy
- Support OEM/ODM customization

#### Application:

- Food and Beverage
- Oil, natural gas, chemical industry
- Measurement of environmental wastewater and exhaust gas
- Metallurgy and glass industry
- Steel, building materials
- Hydraulic and engineering machinery
- Plastic and chemical fiber textile machinery
- Glue measurement and paint spraying equipment
- New energy, semiconductors

## PRODUCT PARAMETERS

Measuring Range	-200℃~2000℃
Display Type	Do not display, Local display
Structure Type	Compact, Explosion-proof
Output/Communication	4-20mA,4-20mA+Hart,0-10V,1-5V,Customizable
Power Supply	12-32V
Process Connector	G1/4, G1/2,1.5",DN25,Customizable
Insert Tube Diameter	6mm ,8mm ,12mm ,Customizable
Insert Tube Length	25mm, 50mm,300mm,1000mm,Customizable
Insert Tube Material	304SS,316LSS,PTFE,Customizable
Accuracy	±0.5%FS
Electrical Connections	M12*1 connection, Hirschmann,1/2NPT(Explosion proof enclosure)
Protection Grade	IP65,IP67

## OVERALL DIMENSIONS

## PRODUCT CONNECTION MODE

### Circular connector M12 x 1 (4-pin)

		2-wire	3-wire
	$U_B$	1	1
	0V	3	3
	S+	-	4
